[scstateparks](#) (Park 12/16) Oconee State Park is the relaxing mountain getaway you've been dreaming of. 🌲 Rustic CCC-era cabins, an old fashioned swimming hole, mini-golf, you name it. - Located near the swimming lake at the outlet of the spillway of the historic bathhouse is a Civilian Conservation Corps replica waterwheel. The wheel on the replica is the original one used by the CCC. 📷: @gregallison
