RE: Weight Citation While Hauling Salvage Timber.

Dear Rebecca,

I received the weight citation attached from Chip O'Neal, Jr., F. G. O'Neal, Jr. Co., Inc., Fairfax, regarding being cited for being over legal gross weight of 84,272 pounds while hauling storm damaged salvage timber while the Governor's Executive Emergency Order was effective to haul 90,000 pounds of storm damaged timber until March 13, 2014.

The citation was issued on March 12, 2014. The tract being harvested and salvaged was located on Creek Plantation in Barnwell County west of Allendale off Hwy 125 and designated as Creek Ice (for ice damage) as shown on the attached citation.

I would appreciate your follow up on this matter. If you need to discuss with me, please call my office in Lexington at 957-9919 or cell 803-530-5874.

Thanks very much
