Subject: RE: Joint committee on aging

Danny, This is the first that I have been informed that he would be speaking and that we would need to discuss that with someone. It is my understanding that Senator Alexander is chairing that committee and that you had been communicating with him regarding oversight of aging issues. I also see that Gerry Dickinson from the Office on Aging is staffing the committee. Please let me know how you would like to proceed. Is the joint committee aware that he and Darryl are attending and speaking?
