Check it out! Ranger Ann Wilson and this young park guest caught a harmless cannonball jelly that had a spider crab in it last week during our Crabby Experience program. This program takes place every Tuesday at 9:30 am in July and August at Myrtle Beach State Park. Make plans to join us this summer! <http://www.southcarolinaparks.com/myrtlebeach/myrtlebeach-programs.aspx>

**Spring Slagle** Love this! This story exemplifies how wonderful our SC State Parks are!

**Heather Bischoff Venters** Emma is so excited to know she made the website! All of our children(ages 14, 11,7) LOVE Myrtle Beach State Park and Mrs.Ann and all of the other rangers and staff! They learn so much and love that they are a part of protecting nature!
