<MSG>

Governor Haley, I applaud your forthright spirit on the issue of the murders of nine innocent human beings who were in Bible Study at Charleston's Emanuel AME Church on the evening of 17 June. Your efforts to displace the Confederate battle flag from state grounds--as a strong, visible icon--is commendable. Please excuse me if I am incorrect in the following statement: Your heritage is Sikh; you are also a dedicated Christian, a United Methodist, which I also think is wonderful. A Sikh assassin Mahatma Gandhi at one of his prayer meetings on 30 January 1948. You know the P OF PRAYER in the Mahatma's nonviolent movement and in your own personal life, and all parts of your life have compelled you to raise the issue of the flag as a statement of healing that does connect to Mahatma Gandhi and his Ahimsa Movement. What you are doing is more important for humanity generally. I taught the sons, nephews and cousins of Dr. Martin Luther King, Jr. at Morehouse College. BEATTITUDES (1983) form the afterword of a King-family volume, DR. MARTIN LUTHER KING, JR. A KING FAMILY TRIBUTE (2013) that is available on Amazon. May you labor to do greater good for humanity every day.

<MSG>

Governor Haley,

I was shocked and saddened to hear about the church massacre. But, I am also aware of attempts again to remove Confederate symbols. I think you should be focusing on the reasons why this man was able to commit this horrible crime. The Nazis practiced acts of discrimination against Jews. So, after this do you want all people of southern heritage to report to the gas chambers? President Lincoln was responsible for a war of aggression against the people of the south that literally thousands of her sons and daughters. So, when you attach an act of violence with the symbols of the lost cause this is deeply disturbing. By taking this action you will only make the fight even harder.

I must say that for the first time in my life, I am truly ASHAMED to be a South Carolinian and even more ASHAMED AND SORRY to be an AMERICAN.....I can not believe that our country has such a level of corruption and I blame leaders like yourself for the decline. How do you sleep at night to God for forgiveness as you will be called to pay for your sins and the way that you have treated the residents of this state one day. No, I am not a resident of South Carolina so you don't have to be concerned about my vote. I am a Southerner and am very concerned about your knee-jerk reaction to the recent shooting in the black church which was horrific. However, the Confederate flag did not do the shooting or play a part in the tragedy that occurred. The problem lies with a tragic youth who had been on drugs and was unbalanced mentally. The Confederate flag is NOT a symbol of hate. If you would read up on the history of South Carolina then you would know that app. 1/4th of the men in South Carolina were killed during the Civil War. The war resulted in casualties of over 1 million men. This flag is a symbol to honor those Southern men who gave their lives. Do you not care about that? This is not about a flag. Use some common sense instead of being so overly emotionally reactive to a symbol that people have incorrectly judged to be about hate. Stop being so caught up in the hateful rhetoric from the left (are you a Republican?) and think this through logically and rationally. What about honoring the dead men of the South? What's next? Are you going to remove memorials that honor our Confederate generals and other men who died in this horrible Civil War? If you do, then perhaps you should step down. You seem to cater to a certain group and ignore others who have a reason to honor this flag.

My name is [REDACTED] and I wanted to bring forth the issue of the removal of the Con flag. Ma'am I know that the shooting was horrific but that doesn't concern the flag. The Confi flag has been around for almost 200 years, it is in our history and a huge part of the South's H A lot of people are upset due to the fact that the flag is irrelevant to the shooting. I apologize what I'm about to say if it offends anyone, but I am sick and tired of African Americans coming about everything we do. Every time an African American gets shot by a white person it's labe racism, and to be honest it's pathetic. Slavery was so long ago and people just need to let it go stress enough how we all clearly have equal rights and it makes me so mad when African Am throw it up in our face and do everything they can to make them still look like the victims. I'm going anywhere until that flag is back to where it belongs. I do not care who I make mad, bec frankly I'm mad myself. All the south wants is their flag back, I'm so tired of people think we arrogant rednecks, when honestly if it came down to it, the south could outlive the City folk. am not trying to disrespect you in anyway. I'm just a small town girl that wants the flag back where it belongs. I can go on all day and try to persuade you to put it back, but I'm not gonna your time, knowing that you're not going to do the right thing and put it back. It saddens me t part of our history is gone, all because some black people wanted to wait almost 200 years to complain about our flag, because that's all they do, is complain. I will make a difference, I do what it takes, and I will not go away until the flags back. Thank you for your time ma'am. Ha blessed day.

Sincerely,

AP

Let me get this straight; the only way to get treated fairly, in the state of South Carolina is to connected. I thought the revolutionary put an end to that and was fought for just that reason. Apparently one has to shoot at something to get anything done in this state. One can arrive th conclusion, "in order for the state to get the traffic lights synchronized one has shoot at out th lights".

Do realize that if one born in any other country and one lives that given country one is citizer said country. Not so in America, the powers that be divide us and pit one another against one by by calling us a ? - American or American - ? When in another country an American Citize that an Citizen of America and not a label or another statistic. It is time to quit arguing over ii things and provide liberty and justice for ALL.

To say that what happened with the rioting in Baltimore was caused by a statement of a flag is erroneous. Pride runs deeply with individuals, and as such NAACP should be not only for of color, but an organization for ALL. To have a reflection of not a Piracy Flag; but one who people died! We need to stick together more than ever of all colors of all races!!!! This could major game changer for the good of all. I wish no one ill-will; and I truly pray for all who have tragedy during what has happened. To say that the flag was what caused this young man to ca tragedy is wrong and has caused discord with many. I am truly glad we can reflect on the Uni States Flag, but I truly believe that we need to appreciate the past for what we have today and blame what one person does; whereas it could have been any power item that he had in his possession at that time.....

Governor Haley, I am writing to urge you not to come to a hasty decision concerning the Confederate you know the media is exercising their right to spew poisonous propaganda, clouding the real issue, an whipping our state into nationwide drama. The AME church is handling the violent act on their church members with grace and dignity. However, the media and certain politicians and Amazon are running speed ahead, wielding the huge fist of racism, headed right smack at South Carolina. Please realize tha Roof is a terribly sick man. We highly doubt that the Confederate flag flying on the Capitol grounds hu influence on this man's horrible decision to do what he did in Charleston. Please, please don't jump on wagon and hastily take down the Confederate flag? I ask you to look away from where the media woul you look, and see the flag as a rich part of our State's heritage. On the other hand, if you choose to let t liberal media, and Lindsay Graham sway you into removing the flag, you will have sold the people of Carolina out. We voted for you because we saw strong, righteous leadership qualities in you. We have applauded you as you've stood tough and taken on ObamaCare. Please don't cave to these liberal ideak Removing the flag will not fix any problem. It will wrongly portray to our nation, and to the world, tha people of South Carolina are deeply racially divided. God bless you as you seek do what's right. Sincer Suzanne [REDACTED], Pickens SC

Governor,

I have supported you to the point of contributing to your campaign. However, I can't tell you disappointed I am in your speech regarding removing the flag. You claim in the speech to ren the people and yet this action is nothing more than pandering to a minority group that seeks to their will on the majority. We saw very few White majority on the stage with you during this so again it was pandering to a small percentage of the population.

The claim that this Historic flag caused the shooting is as absurd as a video caused the killing Benghazi or that the AAA causes drunk driving. They are unfounded lies and should not be g credence. Rather they should be rebuffed. Ironically and sadly the removal of the flag as a res demands by the NAACP control freaks gives some credibility to murderer Roof's comment at them taking over the Country.

I suspect that removal of the flag will do little other than to foster more anti-Black sentiment. I certainly will not cause the NAACP crowd to now vote Republican and for jobs vs. Obama's unemployment checks.

I guess Democrats are afraid the flag reminds us that it was they who fought to block Republi

President Lincoln from freeing the slaves and who after they lost formed the KKK, which they to this day. I guess, being arrogantly insensitive to Military families, they want the flag displayed in a museum where they think Blacks won't see it. Hopefully the flag in the Museum will be a lesson to show our solidarity.

I know you are in a tough spot and the Legislature will no doubt give in to this absurd frenzy again showing its weakness and let the minority NAACP again run roughshod over us. What will not be able to change are our attitudes or our votes.

Amazing that in several years we can't handle a gas tax and fix roads but in a week and we can't let the NAACP trample us in the spineless Legislature.

Gov. Haley,

How dare you to take it upon yourself to speak for all South Carolinians and declare that the our heritage be removed from the State House grounds! It is NOT you and your other progre buddies' decision to make. This is, sorry to inform you, not a kingdom over which you rule. ancestors did not fight under that flag and you don't understand that it has nothing to do with and definitely not the shooting in Charleston. If you think this is going to advance your polit career, then you are sadly mistaken. I am not alone in letting you, Sen. Tim Scott, and Rep. Gowdy know that your political aspirations end here. You are all done. The people of this st sick of being told what is going to happen TO them without their having a say in it. You and buds DO NOT speak for me and no, you do not know what's best for me and you don't make decisions for me. Enjoy your 15 minutes of fame. That's all this debate is about.

It is not a great day in South Carolina when those we have given our votes and support to, tu I, for one, am sick of it! You will all understand when the time comes that you ask for our v support next time.

Have a great day.

The Honorable Governor Nikki Haley  
State of South Carolina

Dear Governor Haley:

I am saddened by the tragedy that has befallen our State in the shootings in Charleston. It has my heart that this mad man murdered my brothers and sisters in faith and brothers and sisters citizens of South Carolina. It was with great joy to see the faith they have in Jesus Christ live front of the world. My prayers are with them and our great state.

I am very concerned that there is a rush to remove the confederate flag from the state grounds because of one deranged young man. I know from personal experience that decisions made in heat of the moment through enormous emotions are almost always wrong. I am not sure how we need to wait to make this decision but it does not need to be done in the heat of the moment. Where will it end if at the turn of every tragedy our state makes hasty decisions. We are better this.

I implore you to slow this process down. Lets make the right decision. I am in great hope that letter will find you in time.

Thanks for your kind regards.

A tree and short rope would fix all the problems associated with this issue? Why do we as a nation allow criminals caught red handed in the act of committing a crime to lay around in jail for years while the taxpayers feed and pamper him. If SC doesn't have the balls to put this Roof guy to rest bring him over to my house and I will do what the state of SC hasn't got the balls to do. I must say that for the first time in my life, I am truly ASHAMED to be a South Carolinian and even more ASHAMED AND SORRY to be an AMERICAN.....I can not believe that our country has such a high level of corruption and I blame leaders like yourself for the decline. How do you sleep at night to God for forgiveness as you will be called to pay for your sins and the way that you have treated the residents of this state one day. You can walk on us as Governor of SC but you can't walk away. You will pay for your evil deeds when the time comes.

Looks like Obama is winning the day. The Supreme Court just gave him a great victory. One step to Socialism and Communism.

The next big step will be legalizing same-sex marriage. America is being flushed down the se perversion. The GOP has already thrown the Christian Community under the bus by caving o Freedom of Liberty.

Will they put preachers in jail and shut down churches? The GOP will say no - but it is comir America.

NOW - you take away our right to "White Heritage". This used to be the Land of the Free. No more if you are "Christian" and "White".

The GOP has caved in to the Gay Community, the radical Black Community, and next will be anti-America Muslim community. The ground work is being laid for Muslim tolerance.

I have totally given up on "HOPE" and the "American Dream". It is finished!

The Democrats have won the battle with the help of "Politically Correct" Republicans.

I have forever left the Republican Party.

IT IS REALLY UPSETTING TO ME THAT YOU AND YOUR COHORTS IN SC ARE CONSIDERING BANNING THE CONFEDERATE FLAG. FIRST OF ALL LET ME TELL THAT FLAGS DO NOT KILL PEOPLE PEOPLE KILL PEOPLE NOT GUNS OR KNIVES: ANYTHING ELSE EXCEPT CANCER ETC. THAT MAN HAS NO CONTROL OVER. IF ARE A TRUE CONSERVATIVE YOU WILL TELL THE KNEE JERK LIBERALS THAT WILL PROUDLY FLY THE CONFEDERATE FLAG AS ALWAYS AND THAT THIS IS SYMBOL OF YOUR STATES HERITAGE JUST AS BLACKS HAVE THEIR SYMBOL: THEIR HERITAGE. THE SAD FACT IS THAT WE LIVE IN A RACIST COUNTRY AND POLITICAL LEFT IS RESPONSIBLE FOR THIS AND THRIVES ON IT AND GARNERS VOTES ON IT BY KEEPING BLACKS AND LOWER ECONOMIC CLASSES BROKE. IF PEOPLE REALLY WANT TRUE ECONOMIC FREEDOM WE WILL RECOGNIZE THAT PEOPLE ARE RACIST ALL OVER THE WORLD BUT THE ONLY THING KEEPING US FROM BEING REALLY FREE IS DEMOCRATS. IF WE HAD A TRUE DEMOCRACY MORE THAN 52% OF THE PEOPLE VOTED AND WERE ABLE TO RID THE COUNTRY OF THE LIBERAL ELITE MEDIA AND THE RACISTS LIKE OF AL SHARPTON AND BARACK OBAMA THE COUNTRY WOULD THRIVE. I WOULD HOPE THAT YOU WOULD STEP BACK AND REALIZE THAT THE CONFEDERATE FLAG DID NOT PULL THE TRIGGER ON THE 9 BLACKS IN THAT CHURCH BUT LIBERAL SOCIETY DID ALONG WITH THEM THAT PULLED THE TRIGGER.

I believe what you've done with our flag is a huge miscarriage of justice. It is people like you continue to cause this racial divide. Tell me how that flag got off that pole, went into a church shot a bunch of innocent people. You have FAILED the southerners of this state. You are on your own political agenda and you have completely ignored those that you were sworn to represent another sheep on the slaughter table. Removing our flag caused Beasley's failure, be sure you next to go. When you take away OUR rights of free speech you can not be trusted with anything. What's next Haley, everything that has to do with southern culture? Do you want our grits and too? Your actions have left us with regret that you were voted for and know it will not happen. You should be completely ashamed of yourself. My God in heaven, knows I am ashamed for you politicians will cause the next world war that you are all hoping for. It's time for the South to go to the reason for OUR FLAG. Southern rights and independence. I'm so done with ya'll.

I understand and accept that the Confederate flag is going to be removed from government property. So I am not writing about stopping that. I would like you to "manage" the removal of the flag in a way that respects BOTH opinions of the issue.

Should the flag be removed under these circumstances, the flag will always and forever from now on point forward will be associated with hate, bigotry, slavery and yes, the murder of nine people at a church; Whether it is your intent or not, those that see the flag as being a symbol of racism will be what will be taught in your schools. So to suggest that people will be able to wave the flag in their personal life, on their property isn't exactly being honest. You know how the progressives are wont stop there. At some point, they will begin to associate the flag as being a form of hate speech and people that have shirts, belt buckles etc will find themselves getting fired from jobs.

If I could be so bold to make a suggestion, take the political out. Take your time to remove the flag. Get some distance from the action and the event that has caused this action. And then word the removal of the flag in a bureaucratic way. Have the legislation worded in a way that only "approved" flags, symbols etc are allowed to be displayed on state property. In this legislation, it would be what is approved, the state flag, the U.S. flag .. w/e. Simply omit the Confederate flag. Problem solved. The solution doesn't condemn the flag, but the flag is removed.

Lastly, doing it this way doesn't set the president, that symbols that have a perception of being tainted is enough of a reason to be banned.

I know it hasn't happened yet, but I can assure you that there will eventually be someone that make the argument that the U.S. Flag waved over slavery long before the Confederate flag did. Old glory also waved over the expansion into the Indian Territories. As well as Segregation, Jim Crow Laws and the Internment of American citizens during WWII.

If you could find a way to removed the flag, without giving energy to other liberal agenda, w  
AWESOME!

I think if done in the way it seems to be going, we could be looking to similar movements against the Bible, the Koran as well as the Cross. All are symbols that have been used by hate groups and in fact have some aspects of a tainted history.

Thank you for your time

I'm sending this because I'm a concerned South Carolinian whose heritage is under attack. We are saddened by the fact an evil boy committed a horrible attack on church members, the flag nothing to do with the crime. The swift punishment should be pointed at the boy, after all, he is the trigger. I ask that we have a state wide vote on the removing of the flag issue. Don't let our view of what we should do, according to what they think. There's only one group of people that continually call the flag racist. Again, I ask that the residents of South Carolina have their voice (vote) in this democratic society we live in.

Thanks

Governor Haley, You have hurt the people of the south so much by your actions of removing beloved flag, which never stood for hate, but love of our Confederacy, and all because of poli am afraid this might hurt all the Republican Candidates, as your actions are spreading all over America, and even talk about removing beloved statues of the Confederacy. You see, Texas i best place to live as far as economical reasons, so in Houston alone, our population has soarec these people are certently not of the south, so have no feelings for our ancestry I had loved on for our flag, and for you to spit on it, is like spiting on the American Flag. I hated that the peo that church were killed, but hate caused that, not our flag. I am ashamed of the whole thing, considering I have been a Republican for 59 years, and have many great black friends that sav arising from your actions.

My wife and I have been considering a move to South Carolina. Your decision to ban the Confederate flag truly disappointed us. Your decision has sent ridiculous shockwaves through this country. You are acting like a liberal. You are not thinking clearly. The flag had nothing to do with the horrible incident in the church. The truth is that the problem is people. People that perpetuate hatred and constantly stir the racial pot are the ones that you need to ban. Jesse Jackson, Al Sharpton, Malcolm X, etc. These people are responsible for continually perpetuating hatred and distrust among the races. A true conservative would know this. I can only surmise that you are more interested in getting reelected than doing the right thing for your constituents.

Poor decision making and liberal leaning has led me away from the Republican party. Sarah Palin would agree with me. The confederacy was part of our history. And the Battle flag of the confederacy has nothing to do with hatred. As a southerner, I feel a sense of pride when I see the flag.

You are making a huge mistake. Place the blame where the blame truly belongs. The real problem is ignorant people and racists. It has nothing to do with an inanimate object. Saying that the Confederate flag caused this is like blaming a spoon for making people fat. Ridiculous!!!

Governor Haley,

While I do not agree with the removal of the battle flag from the state memorial to Confederate Soldiers it may be time to place that flag in a museum. I do believe that the citizens of SC should be allowed to vote on the decision instead of it being made at the government level.

I take great pride in my Southern heritage. My ancestors came here from Ireland and I am also Cherokee. I have always been proud of being a citizen of this state and right now I feel that as a person my thoughts and rights do not count because I am not black. I do not care what race a person is, where they work, what they do behind the closed doors of their bedroom or what church they attend. I believe that we are Americans first and foremost.

Now I see people calling for the removal of everything that has to do with the Civil War. Are people, who are spreading their own bigotry and hate, going to be allowed to destroy all traces of Southern history? Today I see that they also want to remove the American flag. Where does it end?

I do pray, that as the governor of this great state that you will not allow all traces of Southern heritage to be lost. Charleston, being number one on the destination list for tourists, will cease to be if these symbols and memorials are removed.

As the leader of this state I believe that you can put a stop to some of this. Call for a vote of 1 people concerning the flag and issue a statement that other memorials will not be removed. I that we do not want a race riot here. There are going to be a great number of people who will extremely angry if all traces of our heritage are erased.

Please keep this from happening.

Thank you for listening,  
Stephanie [REDACTED]
