The state application is used by all agencies. If DOA changes it, the box is gone. It's loaded into the system. An agency could add it in supplemental questions but it would be tricky.

Team,

Right now we are hoping to release this EO sometime in November. I am not as familiar with all of the work that needs to happen for this (other than drafting the EO and notifying cabinet).

David – can you let us know what that is and when you think it will be complete so we can work toward planning a specific date?

Thanks,
Swati
