We also were down at Hunting Island 2 weekends ago - while we didn't get to spend as much time at Hunting Island for a complete post, we're combining it with an upcoming post about our biking there and on Fripp Island. Hunting Island is beautiful!

Hi from NC! My husband and I vacation down in SC often and love state parks. We've been writing a blog this year where we talk about where we bike, kayak and hike. In September, we spent a day in Huntington Beach State park and finally wrote up about our biking and everything we saw. We'd love it if you wanted to share on your page:
