

Dear Governor Haley,

Hello, my name is Laura Lynn Brickle. I am a senior at the South Carolina Governor's School for the Arts and Humanities, and ~~am~~ a member of the Cantus Chamber Choir that performed at your inauguration ceremony. I would first like to thank you for giving us the privilege to perform at such a prestigious event. We were honored to be a part of it, and I pray that our music blessed you.

I would also like to thank you for funding our school. I am from Branchville, a neighbor of Bamberg. Since there are no music programs near me, I am grateful to have the opportunity to attend a school where I can foster my talents and use them to help my community. I have learned more at the Governor's School than I ever could have imagined at my former school. I am proud to have a governor who supports education, and I pray that you will continue to support the Governor's School.

You are doing a wonderful job leading our state. I look forward to seeing the great things that God will do for South Carolina under your leadership. You are an inspiration! God bless you and your family!

Sincerely,
Laura Lynn Brickle

P.S. We would love for you to visit the Governor's School! After all, it does bear your title!
