Subject: We Are Standing With All This Thanksgiving ~ Website email from Greg McCann

Lt. Governor Bryant, To you a Happy, Blessed, Prosperous Thanksgiving - I am praying with and for you, your immediate and extended families during this season of Thanksgiving. Grace to you for serving in the capacity of public office - you and your family surely know more than we the sacrifices offered in your public service. I pray that you and your family would be strengthened and protected as you serve. I pray you be encouraged by these words by Governor William Bradford in the year 1623. "The great Father has given us this year an abundant harvest ...and inasmuch as He has protected us from the ravages of the savages, has spared us from pestilence and disease, has granted us freedom to worship God according to the dictates of our own conscience" Most assuredly we pray blessings for you and your family this Thanksgiving that Almighty God, Jesus Christ bless you and refresh you this holiday season and keep us One Nation under His eyes. Amen Greg McCann
