Thank you Laurie, I did receive your letter and will continue to see if the Dept. of Corrections will allow Riley to tell his story. It may take a while, but hopefully, Riley will get his chance to reach out to young people to share his story. I appreciate his and your courage!

Subject: Forwarding a letter from Riley

Dear Lt. Governor Bryant,

Hope this message finds you well.

I received the attached letter today from Riley.

He asked that I send it to you.

I will put a hard copy in the mail tomorrow but knowing how much you have been traveling I thought it may have a better chance of reaching you by e-mail.

Sincerely,

Laurie McDermott
