Danny,

I left a message and been attempting to get in touch. Darryl ask me to call you regarding a budget question regarding salary. If I knew how many hours the temporary employee are going to work, it will help me give an accurate answer. The system put them on an annual basis. I know Debbie salary is to be charged to LGOA budget, which needs to be fixed. The arrange of salaries vary between \$13,188.50 to \$34,394.75 depending if the temporary staff is full time (37.50 a week for 52 weeks) or less than 37.50 a week. Are all of the temporary and interns going to remain? I have Michael Magaha, Charles Campbell, and Anthony Alessi?

Thanks,

Ken Burton
