Re: Freedom of Information Request – Regency Hospital of Florence, SC

Dear Mr. Christian:

Your enclosed letter of April 16, 2009, was referred to this Office for a response. I apologize for the delay in answering. This agency, the Department of Health and Human Services, administers the South Carolina Medicaid Program. The South Carolina Department of Health and Environmental Control (DHEC) is the state Survey Agency as well as the state licensing agency, and it appears that some of the information you seek may be kept by them. We queried the areas at this agency most likely to be involved with this type of provider, and they indicated that, since this hospital does not contract for service with the Medicaid Program, they do not have a file. Even if they had information, it would be duplicative of what you will be getting from DHEC.

This hospital does enroll with the Department only for limited payment purposes. Enclosed is the enrollment information we have that is responsive to your request. These documents are obtained from providers and kept in the normal course of the Department's business. We have redacted the provider numbers, social security numbers and EIN.

Our expense for reproducing and mailing this information is ten and 50/100 dollars (\$10.50). Please make the check payable to the Department of Health and Human Services and send it to:
