Re: Case No. 2007-5, Proposed Order

Dear Counsel:

We are in receipt of Mr. Wall's letter and proposed Order of Dismissal. The Agencies object to entry of the Order submitted by protestant's ACS and Protech.

This is a clear effort by ACS and Protech to circumvent the administrative process and as such their request should not be considered.

Moreover, such procedure leaves the panel with no substantive Record and leaves open the possibility that ACS and Protech could later appeal due to mistake or error (See SCRCF, Rule 60). Accordingly, the Agencies request that the Panel sign and issue the order as submitted by the Agencies on June 18, 2007.
