ON BACKGROUND: Walker called her Saturday to check in, see how things were going, let her know he was getting questions about the flag. She told him she had a plan to handle it, and that it was important that this movement come from inside the state and not outside.

Chaney-

Good afternoon. I am an AP reporter in Wisconsin.

Gov. Scott Walker today just said that Gov. Haley had asked that he not comment on the flag until after she had addressed the issue.

Is that what she told him?

Thanks,

Scott Bauer
