Thank you. Did you clear it so we can do any pieces before the start of the program ? Also, you want the Christmas Festival (6 and 1/2 minute piece) at the close of the program - is that correct ? I don't want to do it if children will be running down the steps and it will have to be on the microphones.

Betty,

I will resend the the opts schedule tomorrow morning by 6:00a.m. Per our conversation you said you would be arriving at 3:30pm for set up and your group's arrival time would be at 4:00pm. Per Bruce sound checks for the different groups will be when the group arrives.

I hope this helps.

Katherine

Hi Betty,

I believe your group can drop off the equipment in front of the statehouse. As far as parking, none was assigned. The city will have the garage open on Lady Street.

I have included Katherine who will answer your questions.

Thank you,

Ray

I never received an email about parking for my handbell choir members or especially about unloading all our bells, and heavy equipment. Please send me that email. I was also told that I would receive a list of the timing of the before the program warm ups, etc. I have not received any emails since our last meeting. The lady from the Governor's office called me and asked for my email, but I never received anything. I have to let me choir know TONIGHT. PLEASE, respond TONIGHT - ASAP. Thanks for you help.
