Tony could you please tell me the total and what date it was paid so I can track down this deposit. And thank you so much for your continued support and prompt reply.

Tony I have not received payment for I-Care Services for August, September, or October. Nor have I received a correspondence stating that there are errors with our billing. I did receive an email stating that our October Payment Request Form was completed on the wrong PRF form. But I, nor any other AAA have received a new PRF form I-CARE. I understand that you have taken on the financial department at the LGOA short term and I am certain that you are extremely busy. But if you would please check on this for me, I certainly would appreciate it.
