Hello, we are arriving to your myrtle beach campground location for a reservation today. We did not realize we had to call ahead if we were arriving after 5:00. Will we be able to get in? I am a little nervous we drove all this way and won't be able to access our camp ground. Would appreciate any help you can provide us. Thanks so much!

You should be able to get in and go straight to the campground. The park will still be open. Who said you had to arrive by 5?

Maybe it is just the campground that is closed?

Myrtle Beach State Park is not closed. What number did you call?

It just says the office is closed, not the park. The park is still open.

Ok great, so we can still proceed to our RV camp site? This is what the website says and why we are concerned. Thanks so much for helping me!!!

This means if you arrive after park hours. The park doesn't close until 10pm. The park gate will be open. There will be an attendant at the gate. They will direct you.
