Subject: Hello

Hi, Christian. I understand if you can not talk , but wanted to check in. I am heading to Oregon for a week of holiday and Tim Pennell was good enough to sit in on the ICS road show update today.

You had asked about joining our brainstorm session with Duke Endowment at one point. Rhett is indicating a early December timeframe to Tim, so we will keep you posted.

Hope all is well and let us know how we can help at any time.

Regards.
