Phone:	843-546-2685
Fax:	843-527-0018

Comments:

Is it possible to put an alert on a title just as it is done on a drivers lisenace so when we try to process the title the alert that is placed on the intranet will pop up with a message letting us know about recent developements that have occured with that title.The alert would be removed when the title is cleared.
