You'll also need an alarm code on Sunday for your walk-through - campus police will need to obtain it from the Education College.

Would you have a location for Monday's event?

Thanks

Yes, we will need 2 spots very close to the door. Jack can work with USC police on this, but feel free to mention ahead of time.

Question from USC - do we need parking? I assume we'd all walk, but do they need a spot for protection detail? Thanks.
