## South Carolina State Parks

at 23:00:00 on 3/29/2019 UTC · 🌐

What's a smookie? Instead of graham crackers for s'mores at Lee State Park, we use cookies.....half s'more half cookie! We've got a few campsites left this weekend at Lee! Come debate s'mores versus smokies at Lee's S'mores at Sunset program in the campground Saturday night 7:45-8:45pm (campers only). Also up for debate – burnt marshmallows versus toasted marshmallows. Highly controversial topics! Call the park office to book one of the few sites left. (803) 428-5307. <https://southcarolinaparks.com/lee>

**Cassandra Morrow Harris** Josh Harris we still need to do this with Oreos!!!

**Leah Lane** Girl scout cookies are the best for this! Thanks a lot 😊

**Heather Krack** Campfire doughnut s'mores. Buy a dozen Krispy Kreme regular glazed. Cut in half, put on a roasting fork until warm. Add your favorite candy bar in the middle (I like Snickers sliced thinly).

Prepare for a sugar rush but so addictive.
