I speak as chirstain and as a patriot for our nation. and these camps are dangerous in our state and our nation they are not here to be friendlty with us they are here to take and I would for you to bring I before the state and take a look at it. I am deeply troubled. They just are not around here but all all over the us. we the people expext you to protect us from foreign enemies and jnow who they are and we have a problem it is the religion of islam they should not be coming in this country to use our freedoms agaist us and forming camps please google 22terrorcamps in the us please check it out and bring it befor congress . and I pray for you and all of sc to be safe all this stuff not ought be in our nation and replublican need to have a back bone and stand up especially this current president and administration. what is being done about and we have a right about it cause I love Americaand the consutuition of the god bless America and my god help you and god bless you governer haley and thank you for all you do.
