Dear Governor

First of all, I want to thank you for reaching out to me in response to an email I sent you last week. Your response gave me hope and confidence that I would indeed gain employment with the state of South Carolina! However, I have not been able to contact Mrs. Star Vaughn, after leaving numerous messages on her voicemail.

I know you are very busy and I was reluctant to send you another email, due to your work load. Although you are busy, I am convinced that you are able to help me. I am desperate at this point, and I will not give up on finding employment with the state. I am dedicated to gaining employment with an agency in our state, which will allow me to have a positive impact on lives. Once again, I am asking for your help. Suggestions of any kind is greatly appreciated.

Thanks

God bless you
