Subject: Catching up

Hey there Tony!

I am happy to see our task force is completing our mission and developing some sound recommendations for the IMPH. I wanted to pick your brain on how healthcare for seniors is moving forward in this uncertain political climate. Can you grab breakfast or lunch one day? If so, let me know a few dates that you are available and we will put it on the calendar. I am out the week of October 20th.

Best,

Nikki
