Since you will become a Great Sikh again, perhaps I will endorse you as America's Secretary of State...

You current requirement is one year. This should be the same for all.  
Thank you.

Governor:

I was thinking of investing in your state. As a retired physician, your state's requirements are different.

Unlike Florida, your state government should only ask for two years required for all individuals, regardless of nationality. Of course I am American.

Make a change for the better.
