Look who flew in around noon yesterday and landed at Huntington Beach State Park -- the painted buntings! If you'd like to check them out, they can be easily seen at the white millet bird feeder at the Nature Center.

**Dee Swift** Still needing one of these for my life list...so close, yet so far away!

at 0:02:01 on 4/12/2013 UTC

**Theresa Reiter** what a cool bird!

at 0:03:11 on 4/12/2013 UTC
