Nikki Haley on WIS - COL (NBC) - Columbia, SC

02/04/2015 06:36:02

WIS News 10 Sunrise (News)

... agency is seeking 15 million dollars for a workforce initiative to train thousands of people annually for jobs. details of the initiative governor nikki haley announced during last month's state of the state address are still being worked out. the new initiative has two parts. officials told a house panel tuesday that businesses looking for skilled workers could partner with a local technical college -- and have training paid for by the state. ...
