Dear Boys and Girls,

Thank you for your letters; they made my day. I am so glad that you are learning about the importance of keeping our state clean. It is very important for young people to get involved to stop littering! We have over a half-dozen state agencies focused on natural resources, the environment, and conservation trying to keep South Carolina beautiful.

Keep up the good work. I am so proud of you all! God bless.

My very best,
