Subject: needs a meeting with the governor

Dear Nicole:

Greetings!

My name is Philip Sandi. I hail from Liberia, West Africa but is currently resident in Conway, South Carolina. I am appealing for an opportunity to see governor Haley. I however won't mind confiding in you my mission. I know that Liberians are not the direct constituents of the governor but for the past years I have sojourned here I have experienced that compassionate side of her. I hope to meet her and feel very free to schedule me for a meeting with you for clarity on my would be meeting with governor Haley. I stand ready to visit your office any day of your choosing beginning tomorrow.

My very special regards

Sincerely,

Philip A. Sandi
