***"Targeted Wild Pig Feeder"***

March 30, 2016

Madam Governor,

I'm writing regarding the upcoming "Wild Pig Conference" scheduled for April 17 – 21, being held at the Sheraton Myrtle Beach Convention Center Hotel. We're a booth sponsor and will be there displaying our wild pig feeder, answering questions and attending the conference lectures. Governor Haley, I would like to extend my personal invitation to you, even if it's brief, to join us. I know your scheduling must be most demanding and I know this maybe unorthodox to ask, but your time would be worth it. We feel **there is a solution** for this critical situation and if you could spare just a few minutes with me, I would be very appreciative and help explain. Thank you so much for your consideration.
