Subject: For Monday - Panel on Nursing Homes and Assisted Living

Attachments: 2017-5-19 Bullet Points on Nursing Homes and Staffing.docx

---

I have focused on Staffing since most of what Gilliard has highlighted as being a concern is related to staffing.

Attached is a document out lining some information that I have put together through out the ongoing discussion that may be a helpful big picture for Monday. Darryl has told me that Dale Watson will be there and that is reassuring to me in that she knows this area inside and out. Much of what I have highlighted is a result of my meeting with her.
