Subject: Daniel Bouknight. Forestry Commission

Good morning Katherine,

I enjoyed our previous conversation at the Governor's Holiday celebration about the open positions on the South Carolina Forestry Commission. Forestry has been an interest of mine and my family's for years. I am heavily involved in the industry and feel that South Carolina has a wonderful heritage in this regard. I have a sincere interest in the protection and enhancement of the forests of South Carolina. This position is a wonderful opportunity and it would be an honor to serve my home state of South Carolina in this capacity. Please find attached my CV. I will be happy to answer any additional questions you may have. Have a wonderful day.

Sincerely,
Daniel P. Bouknight, MD
