Kevin

This is Jim Markley in Anderson. I have served on the Board of Directors with the Home Builders Association of Anderson and I have had the pleasure to serve with Mark Nix on the legislative committee of the SC Home Builders for many years.

Congratulations on your appointment to Lt Governor of South Carolina

I have been a big supporter of yours for many years through the Home Builders Association of Anderson PAC and the South Carolina Home Builders PAC and we are thrilled that you have become our new Lt Governor.

I left a message for you to call me when you have a chance at the Lt Governor's office

I am writing to ask a big favor

My son was recently accepted into the Bridge Program at Clemson University.

He would like to appeal for full acceptance and it requires a recommendation letter from 3 people and I would like for Jake to be able to call you or meet you to request a recommendation letter from The Lt Governor of our State.

Jake Markley is presently a senior at TL Hanna High, has a 4.06 GPA, scored a 1280 on his SAT,

active in school and has played on the TL Golf Team since he was in 8th grade.

He has taken a Clemson Course at TL Hanna and finished with a 95 in that class.

Acceptance into Clemson University has gotten increasing tougher over the years with applications exceeded 45000 students this year.

With your permission, I would like for Jake to be able to reach out to you and ask for a letter of recommendation.

Please let me know this will be ok with you.

If this is not ok, I completely understand.

Kindest Regards

Jim Markley
