To Honorable Governor Nikki Haley

This is Baljit Singh from Roar 4 Change, NGO. We are putting together a book "Shaan Punjaban Dii," to showcase contributions of women of Punjabi Origin across the world. Please find attached the preface of the book.

The proceeds of the book will go to our Clean Water 4 Future program where we are installing water purifiers in government and needy schools in India. You can find more about our NGO www.roar4change.org

We have written a profile on your background. Please find attached the draft that we have written for your review. Will request if you could review. Please feel free to modify this further. We will also request 3-4 high resolution pictures for the book.

Thanks in advance and look forward to hear from you.
