"Let's Beat 20%"

Friends,

I ask you to help me with one statistic that we hope to prove false. Turnout for tomorrow's primary is expected to be just 20%. That means with only 50% of the residents even registered to vote, 1 out of 10 Pickens County residents will vote. Yes, you read that correctly. If you plan to vote, that means your spouse and your neighboring families on both sides of you will not vote. So, help me remind them.

Please do two things for me **today**. First, please email, text, and call your family, friends, and neighbors to remind them to vote tomorrow. Second, post your support of my campaign by tagging my [political page](#) or typing my website ([www.CollinsforSC.com](http://www.CollinsforSC.com)) on your Facebook page.

Thank you!

Sincerely,  
Neal
