Subject: Re: Opioid Hearings

Hi Tori Beth,

Thanks for reaching out. Haley Mottel in our office spoke with Danny yesterday about the Opioid Study Committee's schedule and objective. As of right now, we only have two meetings on the books: [July 12th](#) in Greenville and [August 16th](#) in Charleston. We're still in the process of working with Chairman Bedingfield and House members on future availability for additional public hearings. The Lt. Governor is welcome to provide brief testimony at one of the meetings. If [August 16th](#) isn't the best option for Lt. Governor Bryant's schedule, please let us know and we can keep you in the loop as planning details emerge on our end.

Thanks,
Caroline

Hi Caroline,

I am reaching out on behalf of the Lieutenant Governor regarding the upcoming opioid hearings. The LG is planning on being at the hearing in Charleston on August 16th but he mentioned there might be a few others he would like to attend as well. Do you have the dates and locations of the others? He specifically mentioned Rock Hill and Columbia.

Thank you!
Tori Beth
