Steve,

There were a couple basic stories on the Governor's appointments, which largely parroted the press release. No word on any additional appointments so far. We were going to wait until more members were named before identifying a chair; we also wanted to give you and Cindy a chance to get back to town first, so that we wouldn't need to keep harassing folks on their vacations. Thanks.

Any more legislative appointments announced yet? Any legislative or media feedback on the Governor's appointments? Do we have a chairman or first meeting date yet? I will be back on the 20th.
