Hello Senator Johnson, hope all is well with you and the family. I have a favor to ask of you. I am currently in doing military training at Fort Jackson and my class is scheduled to do a staff ride to the State House on 12 June. I know you are very busy, however; I was wondering if you could assist us in getting a picture with Governor Hailey on that day. Thank you in advance for your assistance. If you should have any questions or concerns please feel free to contact me.
