THE HONORABLE NIKKI R. HALEY  
OFFICE OF THE GOVERNOR  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley:

I am reaching out to you in order to raise public awareness of the urgent problem that the family of Jude Sullivan Peters is having to contend with. Jude Peters is one of a very few children in this world who is afflicted with a rare, lethal condition known as RCDP.

As this condition is much <sup>too</sup> ~~too~~ complex for me to try to explain, I would like to direct you to Hannah Peter's social media accounts:

(Facebook) Praying for Jude Sullivan Peters  
(Instagram) @hannahkatelyn

After looking at these accounts, I am confident that you will grasp the severity of the situation, as well as the urgent need for help.

I realize that you are not the governor of North Carolina, where this family resides, but I also know you to be a compassionate, pro-life leader.

I do not know the Peters family personally. I stumbled upon Hannah Katelyn's Instagram account some time ago after seeing her name in a pro-life post. This family's love, faith, and determination to fight for their son has captured my heart. They have no idea as to who I am; I am simply reaching ~~out~~ out to you, and every other public figure that I know to be pro-life.

In closing, I would like to offer my most sincere thanks to you for taking time to read my letters. I apologize for it being handwritten; I do not have a printer.

Gratefully,

Donna L. Raithel
