Subject: 17 Seats From Speaker Pelosi

Please read this message from our sponsor, **Mooney for Congress** .

Dear Katherine,

Did you know only 17 seats keeps us from another reign of Nancy Pelosi as Speaker of the House?

Only 17 seats from more government programs like Obamacare, Cap and Trade, Card Check, and a lot of taxes and spending programs.

Only 17 seats from allowing President Obama and Harry Reid to ramrod through the most oppressive fantasy legislation that the progressives can dream up.

Only 17 seats!

I am running to save one of those 17 seats .

You see, in West Virginia, there is an open seat that can swing the balance of power in the U.S. Congress.

Keep the Gavel Away from Pelosi

You may not know, but there is a liberal Democrat trial lawyer, who is relying on money from environmentalists, Hollywood, and the cultural elite, is running against me. He wants one of these 17 seats.

We must do all we can to hold onto our slim margin.

That is why I am running.

My name is Alex Mooney, conservative Republican for Congress.

As a 12-year State Senator, I have always fought for the most conservative principles. As Chairman of the Party - I battled them in my state on the front lines. I have seen the tactics that the uni college radicals use to win.

They are dangerous and will stop at nothing to win. They deserve to take back the U.S. House and give Nancy Pelosi the gavel again .

As I mentioned, I am running against a liberal Democrat trial lawyer.

I didn't want to have to start raising money, but I have no choice. I cannot let him get too far ahead of his Hollywood friends steal this election.

Will you support me to keep Nancy Pelosi out of the Speakers office? If so, please send me your contribution of **\$250, \$100, \$50, \$25, or even \$10 today** .

I cannot do this without you.

God Bless,

State Senator Alex X. Mooney
Candidate for Congress

P.S. Remember, we only have a slim, 17 seat margin to keep the U.S. House. Please support me today to keep Nancy Pelosi out of the Speaker's office with your contribution of **\$250, \$100, \$50, \$25, or even \$10 today**.
Thank you.
