Dear Governor,

We are second grade students in Mrs. Hassenfritz's class. The name of our school is Mendon Elementary. We have a special project. Our project is to get 100 letters back from the governors of each state (two from each state). Will you please write back and ask another person from your state to write, also. We will be plotting your reply on a U.S. map.

We have a question for you. What is your favorite duty? Thank you for your time and interest.

Yours truly,

Gabriele
