Dear Kevin,

A young gentleman of my acquaintance, Joshua Goodwin, who is part of our Palmetto Young Conservatives that has helped us for a couple of years is applying for the position mentioned above.

I am attaching his documentation – resume etc. – and some screenshots of the conversation he sent me.

I would recommend him highly – he is engaging and effective, and active and a good worker. I think he would be a good leader.

Please consider giving him your highest recommendation for this position with the Koch Foundation. Please let me know if there's anything else I need to do to forward this.

With kindest regards,
Nancy Campbell
