Funding Opportunity: Innovations in Accessible Mobility

Application Due Date: August 26, 2016

The National Aging and Disability Transportation Center invites applications for a grant opportunity to support program innovations and approaches that increase accessible transportation options for older adults and people with disabilities living in the community and maximize the utilization of Section 5310 and other federal funding investments.

Eligible applicants include (but are not limited to):

- Public Transit Agencies; Councils of Government
- Metropolitan Planning Organizations
- Tribal agencies (e.g., Title VI Aging Programs and Tribal Transit Agencies)
- Area Agencies on Aging
- Community Action Agencies
- Centers for Independent Living
- ARCs (Intellectual Disability service organizations)
- Other community organizations involved in the administration, delivery, or coordination of public transit, human services transportation, aging, or disability services.

Learn more about the grants.
