Subject: New York Magazine request for Governor Haley

Hi Brian,

Thanks for your help on the phone. As it turns out, I made a typo in your address, so this email is only being re-sent now!

I'm hoping there's a chance that I could get the governor on the phone either tomorrow, Monday or Tuesday. New York Magazine is publishing an election issue focused on Republicans. As a journalist who writes about women in politics (mostly but not exclusively on the Democratic side) I am hoping for a chance to interview Nikki Haley. Though my politics are very much to the left of hers, I'm so anxious to hear her thoughts about her party--and the role of women within it--during this election season and into the coming years.

Let me know if there's any possibility of making this happen. My phone is 917-576-7299.

Thanks so much,  
Rebecca Traister
