Ok... got in touch with the center director, and she can meet the LG on Thursday afternoon. I know you mentioned the LG had an open spot from 400p – 600p, but is there a preferred time? I mentioned to her that his arrival would most likely be between 400p and 430p... but that I would get back with her on an exact time.

Trying to find somewhere for the LG to land late Thursday afternoon.

Has he ever visited the Mount Pleasant Senior Center (840 Von Kolnitz Road)?
