Just a brief note to give you a  
One 511 Handed salute for the Powerful  
Leadership you have exhibited during  
one of your state's most challenging  
times, as it relate to the immense  
flooding in your back yard (S.C.)

I am praying for all of you guys  
beneath the Northern Star. You all will  
be made stronger.

Remind the poor to focus on the  
needs of this fellow-man, and may all  
those who inherited immense estates  
~~and~~ answer the call (S.O.S.) of their  
Fellow American. Without any  
Red-Tape, nor Delay.

Most respectfully,

Jonathan Williams
