Webinar: Rejuvenating Your Legacy Nortel PBX Investment

**Wednesday, Dec. 2, 2015
2:00PM ET**

Federal, state and city governments have some of the largest Nortel PBX deployments in the world and simply can't afford massive upgrades to replace them. An affordable, future proof refresh is the only scalable option to keep up with evolving technology.

- Learn how organizations are using Polycom and GENBAND technology to rejuvenate, not replace, their Nortel and other legacy investments.
- Hear firsthand how part of the NYC government is making the transition

- Learn why SIP-based solutions prevent future lock-in
- Understand how to add premises or cloud solutions to move to next generation UC
