Hey Katherine,

Weekend was great and not too much work! Coming into the ofc late today b/c I Had to take my little girl to the e.r. last night. she's fine, ended up just being a bladder infection so waiting to pick up her antibiotics now (they said it would take 25 minutes to fill but that was an hour and a half ago!). Once I take those home I will be headed to the office and will finish up the TY letters.

The soonest projected date they offered for the book was sept 9 with expedited shipping. I opted for priority since it was a good bit cheaper and only changed the expected delivery date to sept 10. Not sure why they don't have faster delivery options.

Hope you had a great weekend!

Justin
