The punishment in this case is not justified. Brandi has served enough time. I have a grandchild who was sexually abused for years by her father. The solicitor told us that since this case was so strong we would have a jury trial. Especially since there was an adult witness to the abuse. Our granddaughter lives with a life sentence of the effects from this horrible crime. After her father hired a former solicitor to represent him in court the plan changed. He was given a plea deal. 7 years reduced to 5. Behind bars for only 2 & 1/2 years. Brandi Holder was not at the place of her son's death when he died. I am ashamed to be a citizen of South Carolina where the courts are corrupted.

Brandi is only guilty of leaving the child with someone she thought would take care of him while she worked. She loved her son very much. She has served long enough.
