Subject: Office of the Lieutenant Governor-Read Across America Day

Good morning,

I understand that the Lieutenant Governor Bryant was filmed yesterday for a segment on Read Across America Day. I was informed that the segment did not make it on to the website, so I was hoping that you could send me the video file, or somehow link the video so that we can share it on our social media pages.

Thank you for your help.

Hayden Grooms
Director of External Affairs
Office of the Lieutenant Governor
